CBC Criticizes Journal an CJCA

Board Says Newspaper Exerted Undue Influence on Station

OTTAWA, June 30.—(CP)—The CBC board of governors in a statement today said it was of the opinion there "has been some undue influence in favor of the Edmonton Journal with regard to broadcasting over station CJCA which is not in the public interest" and stated that where here, undue ownership of a newspaper and a radio station the operations "should be distinctly separate one from the other."

Bulgaria To Stick By Yugoslavia

(See also Page 2)

SOFIA, June 30.—(AP)—The Bulgarian government said today "the sound foundations of our relations with Yugoslavia are unshakable" by the Cominform blast against Marshal Tito.

The government newspaper Otechestven Front said in an editorial that Bulgarian-Yugoslav relations "cannot be affected by a temporary crisis in the Yugoslav Communist party."

An official statement from the press department of the Communist-led Bulgarian government following up the editorial, said criticism by the Cominform (International Communist Information Bureau) does not change existing Yugoslav-Bulgarian relations. It added:

"The Bulgarian government will honestly and sincerely collaborate with the Yugoslav government" in the spirit of mutual assistance between the two peoples.

It said "Bulgaria will abstain from interference in Yugoslav internal affairs."

However, the fatherland front national council, the Communist-led "people's front" of Bulgarian political parties, issued a communique today saying it approves the Cominform resolution calling on the Yugoslav Communist party leadership to get back into line with Communist principles.

The board's statement was made in connection with charges of Gordon S. Henry, former station manager for CJCA, that the station operated with restricted freedom and in a manner inimical to public interest.

Mr. Henry's charges were heard last May 19 and the company's reply in Montreal yesterday. The broadcasting company maintained at the earlier sitting it was unprepared to go ahead with its defence and asked that both the charges and defence be heard at the same time. This was refused by the Board on the ground the company had been notified of the charges.

The company also "regretted" that the charges had been made public before investigation and claim by the charges trivial and frivolous.

DIFFERENT VERSIONS

The Board of Governors' statement said it had heard different versions of "unwitnessed" conversations between W. A. MacDonald, president of the Edmonton Broadcasting Company and publisher of the Edmonton Journal, and Mr. Henry.

Mr. Henry said he resigned as station manager of CJCA last April. The company said he was dismissed and allowed to tell the staff he had resigned.

The board's statement: In the matter of complaints by the station and Mr. W. A. MacDonald, the board has heard and considered statements from Mr. Henry and from the president and other officers of the licensee company.

IMPORTANT POINTS

The board feels that the complaints of Mr. Henry were important and questions in relation to basic principles of freedom of the air.

The kernel of the matter as far as the board is concerned is whether or not the licensee kept off the station broadcast material which in its mind departed from general policies governing radio in Canada and their responsibility as trustees of a radio frequency.

The board has found it difficult to determine exact pertinent facts, which in its mind departed from an unwitnessed conversation between Mr. Henry, former manager of the station, and Mr. W. A. MacDonald, president of the licensee broadcasting company and also president of the Edmonton Journal.

The board has heard different versions of such conversations.

UNDER INFLUENCE

The board, however, is of the opinion that there has been some undue influence in favor of the Edmonton Journal with regard to broadcasting over station CJCA, which is not in the public interest since such a situation tends to restrict the free flow of information on the air, fair access to the air, and the presentation of all main points of view.

The board, therefore, will keep the broadcasting activities of station CJCA under observation and review them carefully when the present licence comes up for renewal. It believes that the licensee company would be well advised to make clear arrangements for responsibility as to what is broadcast on the station, under which no official of the newspaper could give directions regarding particular broadcasts.

The board is further of the opinion that where there is dual ownership of a newspaper and a radio station the operations should be distinctly separate one from the other.

Pact Ratified

WELLINGTON, N.Z., June 30.—(AP)—The New Zealand House of Representatives last night passed by a vote of 10 to 25 a bill ratifying their acceptance of the general agreement on tariffs and trade drafted by 23 countries at Geneva last year.

VANDALS RUIN BIG PILEDRIVER

A powerful construction pilder was rendered nearly useless by vandals, Tuesday night, according to police reports.

Vandals, who damaged the machine at 125 street and 102 avenue, (a) filled the gas tank and radiator with sand; (b) removed the spark plugs and filled the holes with sand; (c) ripped off all gauges.

The machine is the property of the Atlas Construction Company.

Partial operation of the machine will start on July 1 when the crude unit goes into operation. Remainder of the plant will be under way at the end of the year.

Mr. Hewitson was one of a party of three plane loads of officials who stopped off in Edmonton on the way back to resume conferences in Calgary after flying over the Musk and Spirit River waters and touring the Leduc field by car.

Imperial Drills At Adrossan

As part of the company's stepped-up search for oil in the Edmonton district, Imperial Oil is rigging up to drill 20 miles east of the city in the Adrossan district.

Derrick is being erected and dunes dug out of a hole 16-15-21, about 3 1/2 miles northeast of Adrossan.

The rig being used is believed to be a new heavy duty National recently purchased in the United States by Imperial Oil Ltd.

The well will be the first one in the area, immediately east of Edmonton, where Imperial has recently done a deal of extensive seismic work.

Charge Laid As Result Of Two-Car Crash

A charge of dangerous driving has been laid in connection with a collision in which 11 people were injured Saturday.

Charged is George Burdard, 12407 87 street, alleged to have been the driver of a car owned by David Semon, 12533 127 street.

Burdard appeared in police court today. He was remanded without plea until July 20 at \$3,000 bail.

Charges growing out of a head-on collision involving thirteen people on the Ford Road, Saturday, June 28.

A southbound car, owned by Semon, containing eight people, was in a head-on collision with a car driven by William Huculak, 12329 57 street.

Eleven people were injured in the collision including eight from Semon's car and three from Huculak's vehicle.

DIRECT APPROACH TO Moscow may be best way to solve Berlin crisis, British Foreign Secretary Ernest Bevin said today.

Bevin Aims to Go Direct to Kremlin

LONDON, June 30.—(AP)—Foreign Secretary Bevin said today the western allies are considering a direct approach to the Kremlin in an attempt to settle the Berlin crisis.

Bevin made his statement in a house of commons debate on Germany. In reply to a suggestion from Anthony Eden, deputy Conservative leader, for a joint British-French-American note to Moscow the foreign secretary said:

"The point made by Mr. Eden of dealing with it (the crisis) in Moscow at the appropriate moment is very much in our minds."

Eden said Moscow is where Soviet power "ultimately lies."

"I say to the foreign secretary in the light of what he has said it is unlikely that we should now draw back."

"We were to do that the effect on our authority and that of our Allies in Western Europe would be catastrophic."

Earlier Bevin said the western powers are determined to fly food into Berlin despite the risk of trouble with Russia.

Bevin did not specify whether the Western Allies' approach would consist of a protest against the Soviet land blockade of Berlin or a request for four power talks.

He said the western powers are determined to fly food into Berlin despite the risk of trouble with Russia.

Bevin said the western powers are determined to fly food into Berlin despite the risk of trouble with Russia.

Thousands to Leave City For Dominion Day Holiday

Shady lake resorts and magic mountain trails beckoned Edmontonians today as they prepared to spend a joyous, carefree Dominion Day holiday.

With nothing worse than scattered showers predicted it is estimated that 30,000 Edmontonians will spend July 1 out of the city.

Highways, bus lines, air lines and family units will carry Edmonton residents by the thousands to resorts far and near.

Baseball fans will have a full menu in a Big Four League doubleheader at Renfrew Park. Football leagues had games scheduled at several parks on the holiday.

Both railways reported the heaviest bookings in years. Jasper Park on the CNR and Banff and Lake Louise on the CPT will draw holidaying Edmontonians in the hundreds.

Extra coaches will be on every train leaving the city for points west, east and south.

One railroad spokesman said: "We are short of coaches. We'll (Continue on Page Two) See 'Citizens Prepare'"

Three Drowned In Chestermere Lake As Boat Capsizes

CALGARY, June 30.—(AP)—Three persons, including Marion Linton, 40, of Regina (2241 Angus street), were drowned at Chestermere lake last night when their small motor boat capsized.

Besides Miss Linton, victims were Mrs. Margaret Petzel, 41, and Raymond G. Snider, 40, both of Strathmore, Alta.

Body of Miss Linton was recovered from the lake about 10 miles east of Calgary today by divers. Operations are continuing for the other two.

Mr. J. Linton, Lakehead manager for the company, said the raiders were "professional gangsters." They smashed the Martin's garage and every disk in it, threw the top of the stove into the lake and "tried to get at the female cook," he added, "but she managed to lock herself in."

CRITICAL SITUATION

The portion of the area has not suffered as severely as the east, but the situation is critical and a good rain is needed immediately over the entire area to prevent further decline.

"Fairly good showers covered most of the Peace River district in the last two weeks" but reserve moisture is low and the crop condition there is only about 75 per cent of normal.

At the same time the Pool reported that warm, dry weather needed in the southwest corner of Alberta, where up to 20 inches of rain has fallen since May 1 in some districts.

Spot outbreaks of grasshoppers have occurred in the southern section of the province, but the Pool reported control measures have prevented damage to crops.

One Dead as Polio Hits Canadian Warship at Sea

VICTORIA, June 30.—(CP)—One member of the crew of the Canadian destroyer Athabaskan is dead, a suspected poliomylitis victim, and three others are in hospital here.

Edward Zimmerman, 23, of Victoria, electrical officer, died aboard ship off the Oregon coast Monday as the Athabaskan was en route from Halifax to her base at Esquimalt.

Preliminary diagnosis of the cause was polio and the vessel was ordered quarantined for 14 days, when the ship arrived here yesterday.

Late Tuesday three other members of the crew were taken to hospital. They are Petty Officer Stoker Jeremiah Rhyne, reported in a serious condition, Ordinary Seaman William Purvis, also in serious condition, and Able Seaman Flight Constable, reported in a "very serious condition."

All three are polio suspects. While navy officers say next-of-kin have been notified, no addresses of the three were given in reports to the Esquimalt base.

Meanwhile, the Athabaskan is anchored offshore pending further check-up of the crew.

The destroyer left Halifax May 19, in charge and touched at several ports en route to her new base at Esquimalt.

DEATHS RECORDED TODAY

Bodparek, Wasyi, Coleman, James, Larson, Orlaf, Miller, Della, Old, Jacob David, Taylor, Mattie.

Arm Chewed Off

PEORIA, Ill., June 30.—(AP)—A 250-pound black Himalayan bear yesterday chewed off the arm of John Dickerson, 12, who climbed a fence to feed the animal.

No Bulletin Dominion Day

In observance of the Dominion Day holiday The Edmonton Bulletin will not publish tomorrow.

Crop Deterioration In Alberta Serious

CALGARY, June 30.—(CP)—A critical crop situation "has developed over a major portion of Alberta," the Alberta Wheat Pool said last night in the latest of a series of weekly crop reports.

The report said the wheat crop has deteriorated from 94 per cent to 85 per cent of a "full" crop during the last two weeks due to continued drought conditions.

Farmers here said the nine per cent drop would mean a loss of close to two bushels an acre on almost 6,000,000 acres. This would mean a loss to Alberta farmers of up to \$15,000,000 worth of wheat.

The area particularly affected lies north and east of a line from Medicine Hat through Red Deer.

The most serious section of late-sown grain has been poor and it is reported in some cases that the grain is only about 10 per cent of a normal height of a very few inches. Deterioration is continuing in this area with crops at the present standing about 75 per cent of normal.

CRITICAL SITUATION

The portion of the area has not suffered as severely as the east, but the situation is critical and a good rain is needed immediately over the entire area to prevent further decline.

"Fairly good showers covered most of the Peace River district in the last two weeks" but reserve moisture is low and the crop condition there is only about 75 per cent of normal.

At the same time the Pool reported that warm, dry weather needed in the southwest corner of Alberta, where up to 20 inches of rain has fallen since May 1 in some districts.

Spot outbreaks of grasshoppers have occurred in the southern section of the province, but the Pool reported control measures have prevented damage to crops.

Dominions Kept Informed

A government source close to the cabinet said the three western powers had already begun consultations on the form and language the communication to Moscow would take.

This was reported one of the topics of Bevin's meeting today with the American and French ambassadors, Lewis Douglas and Rene Massigli.

Bevin said the Dominions, through their high commissioners in London, had been kept informed of British plans for dealing with the Berlin situation.

Plans for supplying the Russian blockaded city by air "have gone ahead with great speed and the results that can be achieved seem likely to exceed our first expectations."

"We recognize as a result of these decisions a grave situation has arisen. Should such a situation arise we shall have to ask the House to face it."

Bevin said the western powers are determined to fly food into Berlin despite the risk of trouble with Russia.

It Happened TODAY

People

Justice Minister J. C. Halsey, 54, cabinet minister since October 23, 1935, resigns his portfolio today. He will join the law firm of the late Col. J. L. Ralston, wartime defense minister, but has declined to comment on rumors that he will also resign his seat in the House of Commons.

In Pierre, South Dakota, fisherman Ed Michaelson went out to cast for bass and caught a really big one—but it got away. On the bank cast his plug snagged on a horse which came away, taking the plug with it. He saved his rod and reel.

Colorful, bearded, financier-lawyer-explorer-author - philanthropist William Perkins Bull, 77, whose life was a continuous adventure, died quietly in a rest home at Niagara-On-The-Lake, Ontario.

For the first time in Western Canada, the question of a soldier's domicile has been settled in the courts. In granting a divorce, Mr. Justice Boyd McKie ruled the soldier plaintiff, by requesting a transfer to Calgary and building a home there, had established a domicile. It has often been held that a soldier, since he has no choice over where he lives, cannot have a domicile.

Atlantic Coast Flag Officer, Rear Admiral Culbertson H. Taylor, RCN, will retire, ending 37 years of service during which he participated in two wars. He will be succeeded by Rear Admiral E. R. Maloney, RCN.

Maxine Petty, 17-year-old Denver, Colorado, girl, is dying of an incurable disease and knows it, but is quite cheerful. "I am going to Heaven very soon," she explains. Doctors give her six months to live at the most.

J. L. HILSLEY
... After 13 years, an end.

Britain's Prime Minister, Clement Attlee, was greeted with warm applause and cheers when he walked into the House today. The PM, and his government, have completed three difficult years in office.

Thomas E. Dewey, if elected president of the U.S., will complete two circles. First, the Republicans will be back in the White House, and second, he will bring the mansion his first presidential moustache in 35 years.

Two Greek guerrilla brigades are reported to have cut off the communications and supplies of three Greek Army divisions between Athens and Ioannina.

At midnight (P.M.) New York's proudest boast, "the longest ride in the world for a nickel" will go overboard when fares on the traditionally "nickel" subway are increased to 10 cents.

Poland and Czechoslovakia are developing a common network of industries, with joint ownership and operation of 30 iron manufacturing plants, chemicals, steel mills, foundries, smelting operations, electro-technical equipment, machine tools, footwear and auto tires.

Coal Output Up
ESSEN, June 30.—(AP)—Ruhr coal production has gone over 300,000 tons a day for the first time since the end of the war, the British-American coal control group said yesterday. Monday's production figure was 309,545 tons.

Some 2,500 pensioners of Canadian Pacific Railways will get a boost in their monthly pensions. That is, getting between \$25 and \$40 will receive an additional five dollars, and those in the \$40-\$45 bracket will be raised to \$45.

Resources Minister MacKinnon told representatives of 35 U.S. business papers that "Canada is trying to achieve a greater measure of stability in our domestic economy." To this end, he said, it is necessary that Canada better her trade position with the U.S.

Two Quincey, Mass. men, a mile out at sea in a boat, heard, barking words, they first thought was a seal, investigated, and rescued a 125-pound Great Dane dog which was nearly exhausted.

The crew of an RCAF Lancaster, engaged in radio-making experiments, encountered a likely-looking cloud over Poveung, Ontario, seeded it with 300 pounds of dry ice, and caused a downpour which rained out a double-header football card at North Bay.

to, Cominform Rift Lessening

Yugoslav Communist Party Will Strengthen Russian Relations

BELGRADE, June 30.—(CP)—The Yugoslav-Cominform rift on "ideological differences" lessened today when the Yugoslav Communist party announced it would do everything possible to strengthen co-operation with the Soviet Union and other "people's democracies."

The party's program, to be presented by the central committee to its fifth congress, July 21, made it clear that to Yugoslavia the Cominform controversy was a "family quarrel" rather than a permanent clash.

Though the program did not directly mention the criticism of Yugoslavia by the International Communist Information Bureau Monday, it was published in the official organ Borba alongside the text of Premier Josip Tito's sharply-worded answer last night to Cominform accusations that Yugoslav Communists were "deviating from the Marxist-Leninist line."

The program, which took up the Yugoslav Communist line, said the party would work for a future union of Yugoslavia, Bulgaria and Albania, "on the basis of national equality."

It also said the Bulgarian Fatherland Front, dominated by Communists, said Cominform criticism of the Yugoslav line "in no way alters the friendly relations existing between the Bulgarian and Yugoslav republics."

The program, which took up the Yugoslav Communist line, said the party would work for a future union of Yugoslavia, Bulgaria and Albania, "on the basis of national equality."

BRIDE OF 22 HOURS KILLED IN ACCIDENT

INVERMERE, B.C., June 30.—(CP)—A 22-year-old bride of 22 hours was killed today in a Washington State couple here Tuesday night and instantly killed the bride of 22 hours.

Yesterday, Rev. H. S. Hanson of Spokane, father of 20-year-old Mrs. Norman Rasmussen, arrived to claim the body of his daughter. He performed her marriage ceremony Sunday night.

The groom, Norman Rasmussen of Spokane, is in hospital here in fairly good condition. Police did not explain reasons for the bus car shunting across the highway.

The British Columbia provincial police said the honeymoon car, bound for Lake Louise, Alta., was struck by the box car on the trans-Canada highway near here. Invermere is 400 miles east of Vancouver.

The groom, Norman Rasmussen of Spokane, is in hospital here in fairly good condition. Police did not explain reasons for the bus car shunting across the highway.

Girl, 22, Injured in Mysterious Accident

Police are investigating a mystery accident today following discovery of an injured 22-year-old girl on a road.

A woman and her seven-year-old son and a motorcycleist and pedestrian were also injured in Tuesday accidents reported by police today.

Under investigation is an accident involving Lorraine Geldart, 22, daughter of Mr. and Mrs. Gordon Geldart, 742 72 avenue.

The youngster was found lying on the road in front of her home by her father about 1 p.m. Tuesday. The tot appeared to be injured and was unable to walk, her father said.

A sandpail, that she had been playing with, was found crushed beside her. Mr. Geldart was a bystander of a motorcycle driven by Gerald J. Eberhardt, 1937 108 street.

Rushed to the Misericordia hospital, the little girl was found to have a bruised back and badly cut leg.

Appearance of the bruises indicated the youngster may have been struck by a bumper of a vehicle and knocked sideways, hospital authorities said.

The girl will be detained in hospital pending further investigation. Facial bruises were suffered by Mrs. Muriel Campbell, 11150 142 street.

Citizens Prepare For Dominion Day
(Continued From Page 1)
just have to do the best we can."

Greyhound Bus Lines and associated companies report practically every seat taken on departing buses Wednesday and Thursday.

Canadian Coachways Ltd. will operate a special bus service to the Alberta Beach resort. The special will leave Edmonton at 9 a.m. Thursday and leave the beach for Edmonton at 9 p.m.

Special excursion fares prevail as from July 30 to July 5 inclusive with return trip tickets at fare and one-half price.

Trans-Canada Air Lines officials said flights both east and west were crowded for the holiday with Vancouver and the far east destinations for many Edmontonians.

STAMPEDE LURE
The Ponoka Stampede is a big holiday attraction and is luring many Edmonton residents who are thrilled by bucking broncos and fancy steeplechasing.

Special attractions are billed at Edmonton moving picture houses on the holiday.

City swimming pools will likely have capacity crowds from morning to night.

Closing of schools brings a general exodus of school teachers from the city to homes in other parts of the province.

Two Japs To Hang
YOKOHAMA, June 30.—(AP)—Two former Japanese officers, Maj-Gen. Yoshitaka Kawane and Col. Katsuro Hirano, yesterday were sentenced to be hanged by a United States military tribunal for responsibility in the 1942 Bataan death march.

Dock Strikers Resume Work

LONDON, June 30.—(Reuters)—London's great dock area, struck-bound for 17 days, began to life again today as workers obeyed their leaders' call to bow to the government's proclamation of a state of emergency to save vital supplies.

Authorities at London, Liverpool and Birkenhead, the three major ports affected, reported "a complete resumption of work. It is a 100-per-cent response."

It was thought likely that the effects of the hold-up would be felt until the end of the year.

Two Greek guerrilla brigades are reported to have cut off the communications and supplies of three Greek Army divisions between Athens and Ioannina.

At midnight (P.M.) New York's proudest boast, "the longest ride in the world for a nickel" will go overboard when fares on the traditionally "nickel" subway are increased to 10 cents.

Poland and Czechoslovakia are developing a common network of industries, with joint ownership and operation of 30 iron manufacturing plants, chemicals, steel mills, foundries, smelting operations, electro-technical equipment, machine tools, footwear and auto tires.

Coal Output Up
ESSEN, June 30.—(AP)—Ruhr coal production has gone over 300,000 tons a day for the first time since the end of the war, the British-American coal control group said yesterday. Monday's production figure was 309,545 tons.

Some 2,500 pensioners of Canadian Pacific Railways will get a boost in their monthly pensions. That is, getting between \$25 and \$40 will receive an additional five dollars, and those in the \$40-\$45 bracket will be raised to \$45.

</

Bucking Broncs, Nasty Steers, and Whiskers Club Lead Parade

CHARIOT RACES in the days of Ben Hur would be no less exciting than the chuck wagon races at Ponoka Stampede. Dan Johnson, Cree Indian from Hobbema Reserve, ready for a test run with his thoroughbred steeds.

YOU CAN DRIVE a steer to a corral but you can't make him gentle. A big feature of Ponoka's annual Stampede will be mean-tempered Brahma steers, imported from Texas for the event. Even driving them to corrals is a big job.

MEAN HORSES are specialties for Bill Winters, of Bearberry, and Bruce Crossman from Haven. These gentle supply bucking horses that will try conclusions with daring riders at Ponoka's annual Stampede. Crossman claims to be Alberta's oldest cowpoke.

Allen Heads ALC Slate; Meet Ends

Hugh W. Allen of Huxlin will again head the Alberta Livestock Co-operative. Mr. Allen was named president of the ALC directors, for the 1943-44 business year, at the annual convention that closed this morning.

C. P. Hayes continues as vice-president and the same board of directors was re-elected as follows: J. R. Tomlinson, R. E. Chown, J. T. Holland, C. D. Lane and R. M. MacCrimmon.

Honorary vice-president is Fred McDonald while R. M. Hibbert is secretary.

The convention approved a resolution requesting the Dominion government to level prices of hogs paid producers, so that the same basic price be received no matter where the hogs are shipped from.

The resolution also asked that the matter be handled by the meat board.

A second resolution urges the Dominion government to arrange personnel of the meat board so that producers have adequate representation.

Several other resolutions, concerning internal operations of the ALC, were approved after considerable discussion.

About 35 delegates attended the meetings that started Monday in the IOOF Hall on 103 street.

Thieves Active In City Crime

Noon-hour thieves moved into action again Tuesday to escape with \$16 in cash, according to police reports today.

R. R. 10609 101 street, proprietor of Radio Alliance, told police thieves broke into the building between 12 and 1 p.m. Tuesday.

An electric razor and \$16 in cash were stolen, police said.

Entry was gained by forcing the Yale lock on the front door, police stated.

Earlier this week thieves broke into office of Steele Bridge Seed Co. and escaped with three dollars from the till.

Two suitcases and contents were gained by room prowlers at the New Star Rooms, Tuesday.

John Matsuba, told police the baggage was taken from his room during the night.

Provincial Election

Seventy-Two Hopefuls Nominated to Date

Further nominations by Alberta political parties bring the total number of candidates, so far named, to contest the next provincial election, to 72.

Building Totals Soar As 11-Million Mark Near

Edmonton's building permit total, up to Tuesday, stood at \$10,875,390 and will likely top the \$11,000,000 mark before the books are closed for June.

Total to end of June 1947 was \$7,645,542.

The 1948 housing program to date accounts for 50 per cent of this total, with 941 permits issued, the value of which is \$5,437,300.

Home building totals for the first six months of last year were 927 permits with a value of \$4,580,790. During June of this year 319 permits for homes were issued, with a value of \$1,916,500.

Survey of prospective home building revealed that 300 homes will be erected by the federal government agencies, the permits for these being expected in July.

The estimated cost of this construction is placed at \$2,100,000. Thirty-six houses will be erected by city contractors, under the federal government's integrated housing plan.

Estimated cost of these homes is placed at \$252,000. On the basis of these figures the home building total should reach 1,300 homes and \$7,789,300 by the end of July for an all time record for the period, civic officials say.

Big Game Hunting Rules Are Relaxed

Change in big game hunting regulations will increase hunting this fall, it was learned today. Special licenses for the hunting of moose, caribou, and similar game will be issued for the months of September and October, instead of for October alone as in the past.

These special licenses are applicable to hunting in remote areas only. The change in regulations will also allow the hunting of goat in September and October. Sheep hunting will be allowed only for October.

15th Polio Case Reported Here

Alberta's 15th case of polio for 1948 was reported by provincial health authorities today.

Case is that of a 9-year-old girl from Smoky Lake. Last case was reported yesterday from Tupper Creek, in the Grande Prairie district.

Edmontonian Dies In New Westminster

Derrick Hooper, former Edmontonian, has died in New Westminster, according to word received here.

He was 41 years of age. Mr. Hooper had been an employee of the W. H. Clark Lumber Company before moving to the farm of his parents, Mr. and Mrs. Ernest Hooper, south of the Cooking Lake trail.

He is survived by his parents, in Vancouver; a sister, Mrs. H. L. Richards, Vancouver; and two brothers, Thomas and Reginald, Edmonton.

Lutherans Open Session In Edmonton

Convention of the Alberta-British Columbia District of the Lutheran Church, Missouri Synod, opened in Edmonton Tuesday with 50 pastors and 35 delegates from the two provinces in attendance.

Sessions were opened Tuesday morning with divine service in St. Peter's Lutheran Church conducted by Dr. Herman Harms of Davenport, Iowa, and continued in the afternoon at Concordia College with Rev. W. C. Effert, president of the district, as chairman.

Three new congregations received membership. They were Faith Lutheran Church of Grande Prairie, Grace Lutheran Church of Oxyoon, B.C., and St. Paul's Church of Nanaimo.

New Pastors accepted as members of the district included three from Alberta: Rev. John Hildebrand of Vegreville, Rev. Richard Zigel of Rochford Bridge, and Rev. Gordon Shultz of Fort Saskatchewan.

Rev. Fred Stark, of Tomahawk, and Rev. R. Presinger, of Edmonton, were elected to the district's executive committee.

In a report on educational activities, Dr. Harms stated that colleges and seminaries of the synod were filled to capacity with a total of 3,388 students.

A building program of \$1,500,000 is presently underway at Fort Wayne, Oakland, Portland and River Forest, Ill., and another \$3,500,000 construction program has been authorized for some other colleges and seminaries, he added.

Rev. V. Eichenlaub, chairman of the District Board of Directors, reported on the progress in the departments of Missions, Christian Education, Young People's Activities, Finance, and Publicity.

London, England, now has three permanent opera companies, playing at Covent Garden, Sadlers Wells and at the Cambridge theatre.

Northern Alberta Agent Wanted

Substantial Vancouver firm of distributors wants aggressive agent to contact wholesale, hardware, paint manufacturers, industrial buyers, retail lumber yards and building specialists, insulation, wood preservatives. Commission on present volume \$125 monthly. Opportunity to increase substantially.

Funeral Today For Pioneer

Funeral services were held today for John A. McTavish, 77, 9021 86 avenue, who died at his home Monday.

Mr. McTavish came to Edmonton in 1912, was a long-time member of the Strathcona Curling Club, an honorary president of the Edmonton Bowling Club and was a member of the Edmonton Bowling Association.

He is survived by his wife, two sons, Kenneth and Donald and one daughter, Mrs. Murray Hamilton.

Last rites were held in Knox United Church at 2:30 p.m. Rev. R. N. Thompson officiating.

Burial was made in Mount Pleasant cemetery.

If windows are hard to raise pour a little hot shortening between the window frame and the casing, and also on the roller.

Mother ON SPORT

By STAN MOHER, Editor

Sauer's Sweet Homer Recipe

Midweek meanderings kids and if you would hit home runs as frequently as Cincinnati's Hank Sauer buy yourself a 40-ounce war club that measures 36 inches. . . . Despite reports making the rounds Henry Martell is not going to Prince Albert for the Saskatchewan Open, starting Thursday. . . . Down there the Highlands pro would have run smack dab into his old rival, Pat Fletcher, in the role of defeating champion. . . . If there's an extra hat in the house it should be doffed to Mayfair's Bill Hoar, Highland's Herb Bliss and the others who comprised the committee responsible for the outstanding success of the recent Alberta Amateur tournament. . . . Not only did Hoar, Bliss and Co. stage a nifty of a tourney but as well they made a nice piece of change for the Alberta Golf Association. . . . Add time-marches-on-department: Floyd (Babe) Herman, who broke into organized baseball with Edmonton Eskimos as a pink-cheeked 18-year-old back in the early 1920's, recently celebrated a birthday. . . . It was No. 49 for the Californian who became one of the most feared sluggers in baseball while with Brooklyn Dodgers and other teams on the Big Apple. . . . These times Herman is a scout for Pittsburgh's surprising Pirates.

Several of the townsfolk were 'wired' Kelly R in the second at Winnipeg Tuesday. . . . Take a look at where the aging gelding finished.

Needed: A Soft Pedal

Things we can do without: athletes who can't curb it out with umpires and such without cutting the spectators in on the proceedings. . . . It may be the off-season for the pucksters but there are off-stage stirrings just for the same. . . . For instance the grapevine has it that hardrock 'Dutchy' Van Deelen of last season's Regina Caps has a good offer from Spokane Spartans. . . . Trouble is the left winger on the Bill Kyle-McDonald-Van Deelen line is still Regina property. . . . At the same time Bernie Bathgate, one of the better forwards in the Pacific Coast Circuit, has been in our town for a week or 10 days. . . . Maybe, as suggested, he's just visiting with the Andy Clobcheks and other friends. . . . Outfielder Dewhurst, who came this way with the first Home of David teams, died this past winter, according to Doc Tally. . . . To hand is Jim Hendy's spring edition of the American Hockey League's plumb-full-of-statistics red book. . . . It's a finger fibert's delight.

Boston's Ted Williams is gunning (and how he's gunning) for his third American League batting crown. He was king of thump in 1941 and again in 1942.

Goldstick Goes Back

Goldstick (Tiger) Goldstick, sick unto death of thoughts of charlie horses and other ailments peculiar to the base baller, is contemplating a return to the wrestling madness at Calgary Friday night. . . . Promoter Larry Tillman wants a neutral referee for one of the matches on his card and the Tiger has agreed to a bid to be third man—in and out of the ring. . . . Tuesday we accepted thestrenuous Rolly Kelly's invite to sit in on the Louis-Valecott fight picture. . . . As usual the camera has done a fine factual job of recording the highlights even if the pair of Joe's didn't exactly stage a back alley brawl. . . . This is for sure: when the champ finally went to work on family man Valecott in the 11th round he forgot all about Mrs. Jersey Joe and her brood of six. . . . Add more things we should be able to do without: ball parks, like Clarke Stadium, where no sunny facilities are provided. . . . Owner Neil Campbell has shipped his Pagan Star to Seattle's Longacres where the racing is tougher, but the pots are larger.

And a good July 1 to all you guys and gals. There'll be plenty to do and see on the sportive front.

Babe Gaucher Tops Gun Club Shooters

It is becoming a habit with volatile Alfred (Babe) Gaucher to fire great guns, as the saying goes, and lead the shooters of the Edmonton Gun Club in their bi-weekly jam-rocks.

He did that Tuesday. At traps the Babe fired 25 to deadlock Bill Headley and Bill Davis, and clipped 23 clay pigeons at skeet.

Gord Walker and Gordon Dane finished in the runner-up spot in the trap department with 24 out of a possible 25. Freddie Morris ran second to Gaucher in the skeet section with a tally reading of 22.

Among the 66 shooters present was Mrs. Bill Headley. She fired a commendable 30 at traps Tuesday, in one of her few appearances at the West Jasper Place range this summer.

TRAPS
Babe Gaucher 25, Bill Davis 25, Bill Headley 25, Gord Walker 23, Gordon Dane 24, A. C. Anderson 23, Edwards 23, R. Morris 24, Charlie Cradock 23, John Michaels 23, Bill Leitch 23, Bill Lee 22, A. West 23, Dr. A. Stoddard 21, W. James 20, G. Hancock 20, Mrs. Bill Headley 20.

SKEET
Babe Gaucher 25, Fred Morris 22, B. Turner 21, Dr. Paul MacDugall 21, Lorne MacDugall 21, Chuck Fortie 21.

SOUTH SIDERS LICK CALDER JUVENILES

South Side firmly entrenched themselves in fourth slot in Bill's Juvenile Baseball League with a 19-6 triumph over Calder at Clarke Stadium Tuesday.

The win left Manager Bill Robinson and his club a game and a half out of the first division and leading the tailed Calder and Maple Leaf teams by the same margin. Catcher Bill Gibson paced South Side's 14-hit attack with three singles. None of the Southerners went for extra-bases and they received considerable scoring assistance when Calder pitchers Belland and Pearson issued 11 walks between them.

South Side	335 69-19 14 1
Calder	241 61-6 7 2
Proudfoot and Gibson; Belland, Pearson (3); and Pearson, Benwood (3).	

HOW THEY STAND			
W. L. Pct		W. L. Pct	
North Edmonton	5 2 .714	South Side	4 3 .429
Westmount	2 2 .500	Maple Leafs	3 4 .429
Cloverdale	4 2 .667		3 4 .429

Moose Clip Singers In Lucky Seventh

Legionnaires Trim Anavets In Nightcap

Moose made things rough for Henry Singers to the extent of 7-3 at Kingsway Park Tuesday night, and Legionnaires outlasted Anavets in a second men's fastball encounter.

For six innings Don Harkness limited the Moose herd to a single baseknock and Singers appeared headed for a win. At the time the cloisters could feel a bit chesty, too, since they broke a scoreless tie with one run in the fifth.

But one run doesn't make a ball game, as Harkness found out to his dismay in the seventh. In that inning Cas Wilchuk, Pete Husar, Gord McKie, and Al Brown all connected for hits which, combined with one walk and two errors, added up to seven Moose runs.

Singers attempted to get back in the ball game with one run in each of the seventh and eighth innings.

JOHANSSON HOMERS

Legionnaires tallied three times in the seventh to break a 5-5 tie and managed to storm to an upset victory in the closing stanza. Ken Johansson smacked a homer over the left field wall with one run in the Legionnaire seventh.

At that it was close. Anavets came racing back with each of the seventh and eighth innings. In the eighth Orin Yenell was perched on third with the tying run but was easily thrown out on an attempted steal of home.

Legionnaires	104 300-20-8 13 3
Anavets	100 200-15-10-12 2
Wood and Malone; Wickland, Yenell (7); and Nayward.	
Singers	100 300-20-10-12 2
Meyer and Britton; Harkness, Zavan (8); and Morris.	

Taylor, Pearson Edge Meatpackers

Taylor and Pearson edged out Canada Packers 17-15 in a free-bitting intermediate fastball League game at Kingsway Park Thursday night.

Each team pulled out two runs, Dave Walsh in the second with two, and Bill Butchart in the eighth with one on for Taylor and Pearson, and Alex Moe in the first with one on, and Pete Edwards in the eighth with two on for the Packers.

Canada Packers	210 300 083-15 12 10
Taylor	100 200 083-15 12 10
Tedious (11 steady and steady (8) and Edwards; Raymond and Drake.	

Utilities Rally To Hose Firemen

Utilities banded Fire Department in the streets at Clarke Stadium to win a Civic League fastball game 7-4. Four runs in the eighth and ninth innings provided the winners with their edge at the finish. Utilities fought something of an uphill battle most of the route. They trailed 3-1 in the sixth and then pulled even on Norm Simons' two-run homer. Walk Mason whacked a clean single to left in the utility eighth to drive in Charlie Williams and Jim Blair with the winning tallies.

Utilities	100 022-03-9 4
Fire Dept.	101 021 060-03-8 4
Becky and Richmond; Bell, Tutton (6); and Stewart.	

Yanofsky Wins

MARIANSKE LAZNE, Czechoslovakia, June 30.—(AP)—Abel Yanofsky of Winnipeg, Canada's young chess master, yesterday defeated Stepan Gaviolkowski of Poland in 16th-round match of the 19-count international chess tournament here.

ALL ROADS POINT TO HIGHLAND GAMES

You take the high road and I'll take the low road and we'll both end up at the 22nd renewal of the Highland Games at the South Side Athletic Grounds July 1.

A complete program of piping, dancing, track and field, cycling, and motor bike racing has been arranged by President Windwick and his aides.

The annual Highland gathering commences at 9:00 a.m., and will be officially opened by Mayor Harry Ainlay at 3:00 p.m., immediately following the march past.

ALBERTA HOTEL BUILDING

WINGING ALONG on the road to the 1948 Olympic Games is Harrison (Bones) Dillard, America's number one prospect for the international jambores. He holds nine world track records, including the 120-yard high hurdles at 13.6 seconds.

Mother Will Pay Way For Son to Olympics

WINNIPEG, June 30.—(CP)—The mother of Canada's leading sculler, irate because her son has been refused a place on the Canadian Olympic team, suggested Tuesday night that he row for his native Belgium instead. She'll pay his expenses.

White-haired Mrs. Alice Dubois said in an interview after learning that 35-year-old Theo Dubois, North American sculling champion and singles winner in Saturday's Canadian Olympic rowing trials at St. Catharines, Ont., had been left off the 1948 team.

"As he was born in Brussels, he should be eligible to compete for Belgium. If so, I am quite willing to pay his expenses."

LATEST DEVELOPMENT

The mother's statement was the latest in the country-wide controversy developing in the wake of Saturday's decision by the Canadian Olympic committee made of officials said, because Dubois' time in the trials was too slow to justify his selection. Dubois, in Philadelphia, wasn't available for comment immediately.

late. Dubois would be eligible to compete for Belgium remained uncertain Tuesday. Also undetermined was whether the Olympic committee of that country would agree to accept him on the Belgian team.

Funds for Dubois' trip to London would come out of money saved by the sculler's father, who died here last month, to pay for the son's journey to St. Catharines.

BRANDED A 'ZOMBIE'

Mrs. Dubois expressed hope that "the army business" had nothing to do with the Olympic committee's decision.

In 1944 the Ottawa Rowing Club "blackened out" of its honor roll of members on active service in the armed forces the name of Dubois, stationed at the time at Chilliwack, B.C., as a member of the home defence forces. Dubois declined the club's suggestion that he "go active," saying that home defence forces would be sent overseas when the authorities found it necessary and "I do not see any sense in doing any more than the necessity calls for."

When called up by the Canadian Army for service, Dubois was found fit for service. But the thing that puzzled him, Mrs. Dubois said, was that his attestation papers defined him as a "Belgian subject" and "a friendly alien."

HOLIDAY MENU

WEDNESDAY
Baseball—6:30 p.m., Westmount vs Maple Leafs at Westmount; 6:45 p.m., EAC vs Maple Leafs at Clarke Stadium.

Fastball—7:00 p.m., Moose vs Anavets and Precision vs Singers at Kingsway.

ETS Nine Smacks CN Express 15-5

Edmonton Transit System landed on CN Express for a 15-5 intermediate B fastball verdict Tuesday.

The trolley drivers got away with one in the first and whipped home four in the third to pull in front for keeps. In eight innings Pitcher Ford of ETS was particularly tough, striking out 13 and yielding three hits. He was removed in the ninth in favor of Dave McVie after issuing three bases on balls.

CN Express	104 222 021-12 7 5
Ford, McVie (9); and Herb; McVie, Bennett (3) and Lunde.	

Power Turned Off, Americans Protest

WASHINGTON, June 30.—(AP)—The United States protested to Moscow last night because Russia pulled the switch last month on their 1-ower serving South Korea.

The power used in the southern, American-occupied zone comes largely from the Russian zone to the north. The Russians cut it off May 14.

Lesnevich, Valecott and Ezard Charles, the latter a ranking light heavyweight, are regarded as the leading contenders for the crown. Louis laid down after scoring an 11-round knockout over Valecott in Yankee Stadium last Friday night.

The light heavyweight king is in England to defend his title against Freddie Mills July 30. He said he expected the Mills bout to be a "good fight."

Jack Solomon, Britain's leading fight promoter, who accompanied Lesnevich, disclosed he plans to turn in on the world heavyweight championship plans.

"The Americans have had the deciders in their country long enough," the promoter said, "and I'm out to beat them at their own enterprise game. I think I may because I generally get my own way."

Solomon said he planned to match Bruce Woodcock, the British Empire heavyweight champion who has been undergoing treatment for an eye injury, with Lee Savold, Tami Mauriello or even the Canadian champion, Vern Escoc of Toronto next September.

The top qualifying score of 152, which 178 players in the original field failed to reach, was the lowest in the history of the British open.

Ezzy Charles' Camp Will Fight 'Em All

BALTIMORE, June 30.—(AP)—Noticing the sundry suggestions for selection of a successor to Joe Louis, a manager of Ezzy Charles, one of the leading contenders, declared Tuesday "it doesn't make any difference to us, we'll fight from one to 10."

Jake Mintz, who co-pilots the Cincinnati puncher with Max Ekus, said he was prompted to speak by Bruce Woodcock, British heavyweight champion, wanting "in" any tourney, and Louis' proposal that the "top 10 fight it out."

Sol Strause, acting manager of the Twentieth Century Sporting Club, said he considers only Charles, Joe Valecott and light heavyweight champion Gus Lesnevich worth mentioning as a successor.

"But we are willing to fight one or 10 to prove beyond a shadow of a doubt that Charles is the best in the world," Mintz said.

Charles is a devastating puncher with plenty of knockouts in his record. Early this year in Chicago Sam Baroudi of Youngstown, O., suffered fatal injuries in a bout with Charles.

The Cincinnati destroyer has lost only one bout since getting out of the Army, a split decision last July to Elmer (Violent) Ray in Madison Square Garden.

"Since then Charles has knocked him out," Mintz recalls proudly. Charles is a natural light heavyweight and Mintz admits he probably won't be able to make more than 175-180 pounds.

"But weight makes very, very little difference," Mintz believes. "As long as he can retain his speed he can handle any heavyweight."

Polo, the most ancient of games with stick and ball, is the "grand father" of hockey, golf and cricket.

Deny Title Bout Official Sanction

QUEBEC, June 30.—(CP)—The Quebec Boxing Commission announced Tuesday the Fernando Gagnon-Jean Richard featherweight title bout scheduled for the Montreal Forum next Tuesday would not have the official sanction of the Canadian Boxing Federation.

Gene Letourneau, local boxing inspector and technical adviser to the federation, said the fight would not be sanctioned on the grounds that the Montreal challenger was not listed as the No. 1 contender.

Letourneau said Spider Armstrong of Toronto, ranked first, followed by Leo Lindsay of Vancouver and Teddy Sanks of Toronto.

Cotton Paces Golf Medalists

MURFIELD, Scotland, June 30.—(CP)—Britain's Henry Cotton paced 97 survivors through the 36-hole qualifying tests of the British open golf championship with a total of 138.

Nearest to him, with scores of 140, were Roberto De Vicenzo, 25-year-old Argentine, pro, who speaks barely enough English to order his food, and defending champion Fred Daly of Northern Ireland.

The top qualifying score of 152, which 178 players in the original field failed to reach, was the lowest in the history of the British open.

Viking Residents Died Recently
VIKING, June 30. — A recent death in Edmonton removed one of the former residents here in the person of Mrs. Eleanor Fonger. She leaves a son, Stanley, in Edmonton and a daughter, Mrs. V. McLeod of Viking.
James Milne, a well-known resident, died June 22. Surviving are his widow and two daughters.

Dutch Family Now at Millet
MILLET, June 30. — A Dutch family arrived in the Millet district on Saturday of last week, directly from Holland.
Mr. and Mrs. Leonard Koeter and children all enjoyed a good trip to Canada and were pleased with their reception in Canada and impressed with conditions at Millet.

STOLEN TRACTOR FOUND AT MILLET
MILLET, June 30. — A tractor which had been stolen from Ben Zerb at Leduc last Thursday was abandoned behind the Millet NAD Pool Creamery.
In driving the tractor around the creamery, the youth who had stolen the tractor ran into a truck owned by Oscar Trush of Leduc and did considerable damage. The boy, who proved to be from an Edmonton institution, ran away at the time, but was later apprehended.

Fort McMurray Enjoys Good Rain
FORT McMURRAY, June 30. — The district enjoyed a very good rain here over the week-end. This was indeed very welcome as the gardens were suffering and the grass was beginning to dry up. It will also do much good in curbing the forest fires which have been raging close around us.
It has just been learned that a man's body was found close to McKay about 40 miles north of here, in the Athabasca river. The body was found by two men making the trip to Akavik by canoe last Saturday. The body has not been identified and we have been unable to get any other particulars.

DISTRICT NEWS IN BRIEF
Waterways-McMurray To Celebrate July 1

FORT McMURRAY, June 30. — At a meeting of the Dominion Day sports committee, held in the Franklin hotel, Fort McMurray, recently, C. A. Palmer was elected president of the committee for the coming year. Other officers elected were Mrs. Noreen Belanger, secretary, and John Buck, treasurer.
Plans were made for the joint Waterways-McMurray July 1 celebration which this year is being held at Fort McMurray.

To raise funds for the occasion a subscription has been taken up from the residents of Fort McMurray and Waterways and up to the present over \$400 has been collected.
As the prime object of this celebration is to give the children a good time, it was decided that as has been done in the past, to start the day off with a free show for the children. As they come out of the show each child will be furnished with vouchers which will entitle them to free treats as well as the show.
A special film, suitable for the children, has been ordered for that day. Races, jumps, and bicycle races have been planned for the children as well as the grown ups. Four softball teams for the men, four softball teams for the ladies, and two softball teams for the pee wee boys have so far been entered.
One of the highlights of the day will be the entry of Father Mercredi and his ball team, made up almost entirely of natives from Phenomena. Father Mercredi, who used to be stationed here for a number of years, has done very much in developing sports in this town and has been directly instrumental in producing some very good softball and hockey players.
One of his products, young Andy Redford, is pitching ball for the Canadians in Edmonton this summer and reports are that he ranks with the better pitchers of that city.

Daysland Pupils Pass Music Exams
DAYSLAND, June 30.—Following pupils of Mrs. Jean Miller were successful in passing the midsummer examinations held in Camrose recently by Boris Berlin of the Toronto Royal Conservatory of Music.
Grade 4 — Edith Tennent and Donna Lehner
Grade 5—Ann Crampton
Grade 4—Billie Lohrer
Grade 3—Vallaine Long
Grade 2—Maxine Gillespie and David Robson.
Alexander Graham Bell was a granted a patent for his fundamental telephone receiver in 1877.

Inside Hollywood
By Bob Thomas
HOLLYWOOD.—(AP)—Don't assail the walls of Hollywood if you want to break into the movies. Go to the stage.
That's the consensus of the stars who have made the grade. The percentage of Hollywood-found stars grows smaller as the industry progresses. It appears that newcomers have to make names for themselves in other entertainment fields before they can crash pictures.
The Associated Press Hollywood forum question for today: What would you advise youngsters who want to break into movie acting? Here's how it was answered: "John Garfield: 'Stay away from Hollywood or you'll end up a cap or a bus boy. Go on the stage, either at home or on Broadway. Or try television.'"
Rialto—"ARE YOU WITH IT?" At 2:01, 4:57, 7:41, 10:41.

Lodges Are Active At High Prairie

HIGH PRAIRIE, June 30.—Eight members of the Royal Purple Lodge attended the third annual district meeting at Berwyn, Mrs. D. S. Hayden, deputy supreme honored royal lady, moving arrived three years, will retire this year and Mrs. E. W. Trump has been elected to take her place. The Royal Purple Lodges in this district include McLennan, North Star and High Prairie.
Annual Masonic banquet was held June 24 with 52 members and ladies present. Cig Burns was in charge of the banquet and the tables were beautiful with decorations of gold and purple iris, mauve sweet rocket and long-spurred columbine. Following the banquet, a social evening and singing were enjoyed.

Camrose CYO Donates to Pool

CAMROSE, June 30. — Catholic Youth Organization held a benefit performance of their comedy three-act play "Dotty and Duffy" at the Bailey Theatre on June 27. All the proceeds from the play are being donated to the Camrose Memorial Swimming Pool in order to cut down the outstanding indebtedness against same.

City-Wide Safety Drive Gets Underway Here July 5

Decline Seen In Disease

Decline of 11 was recorded in the number of communicable cases reported to the city health department during the week ended June 26.

There were 102 cases, compared with 113 the previous week. Chicken pox cases showed an increase of 13, while measles cases declined from 86 to 60.

Whooping cough cases showed an increase of five and the incidence of other diseases remained constant.

One case of infantile paralysis and one diphtheria carried case were reported.

POLICE SEEK IDENTIFICATION

Police are seeking persons who can identify a suit of men's clothing at city police station.

Clothing consists of two pairs of brown trousers, a vest, and a coat. Label on the coat has the name C. Johnson and monogram of Fifth Brothers, Hamilton, Ontario.

The suit was believed purchased in September 1947. Any person who can identify this suit is asked to call at the detective office, city police station.

Four Teachers Are Appointed

Four appointments to the teaching staffs of the Edmonton Public Schools were approved at Tuesday's meeting.

Miss J. M. Dervell, presently teaching at Westmount intermediate school, was appointed lady assistant-principal at Delfon school.

Miss H. E. Inkster, assistant principal at Rutherford school, was named lady assistant-principal of McLaughlin school.

Other appointments were those of Miss M. G. Mercereau to the temporary staff of Westlawn high school, and Miss C. McIntosh as acting lady assistant-principal of Rutherford school.

Four B.C. Bands In Stampede Parade

CALGARY, June 28.—(CP)—Four British Columbia bands will take part in the Calgary Stampede parade next Monday. Stampede officials announced last night. On hand will be the famous Vancouver Klondike band, the band of HMCS Naden of Esquimalt, B.C., and the Boys' and Girls' bands from Cranbrook, B.C.

Alberta bands participating will include the Edmonton School Boys' Band, a Canadian Army band from Calgary, a Calgary Musicians' Union band, and bands from Lethbridge, Macleod, High River, Okotoks, Cayley, Meiseker, Sundre, Cardston and Claresholm.

He is also a member of the Chemical Institute of Canada. Location of the new office will be 10075 Jasper.

Assistant to Mr. Flewelling will be M. S. Lent.

Bodies Recovered

BELLEVEU, Aug. 26.—(CP)—Bodies of two Bellevue school boys drowned yesterday in nearby Burma Lake, later were recovered by other members of the party. The two, Gene Sorrentino and Richard Cardie, both believed to be 12, were believed drowned when a raft they were on overturned. An inquest is being held.

Heads Rotary Club

CALGARY, Aug. 26.—(CP)—E. E. Peterson was elected president of the Calgary Rotary Club Tuesday. James Fowler is retiring president. E. T. Marshall was elected secretary and Adam Gaiger was named treasurer.

151 Days Without Fatality Is Proud Record of City

Today is Edmonton's 151st day without a traffic fatality. The announcement, by the Edmonton Safety Council, was coupled with plans for the next three-months safety period.

A Courtesy Campaign will be inaugurated July 5-31. Council intends to reward drivers who observe all the niceties of city driving.

The slogan, "Speed Kills—Take it Easy", will be publicized by the Safety Council during July.

"Look Out for the Kids" will be the watchword during September.

Special courses in traffic safety, through lesson units and posters published by the National Safety Council, will be used.

A campaign for members and funds will be undertaken by the safety council September 1-15.

Traffic Roundup Nets Ten Victims

Ten motorists paid out a total of \$77 for infractions of city traffic by-laws, in police court Tuesday.

The traffic officers were summoned by city police traffic squad in a current drive on careless city motorists.

For failing to have front number plates attached to their vehicles six motorists were fined a total of \$24 and costs.

The six offenders were William Forrest, 9701 Jasper avenue; Frank Tholerar, 11921 78 street; Elwood P. Babcock, 9341 118 avenue; Mac O. Bair, 10054 110 street; and John Gibson, Edmonton.

Three speeders, levied a total of \$50 and costs, were Reg. Kendrick, 12142 122 street; Pete Elzinga, 8117 101 street; and Robert G. Hewitt, Bon Accord.

Hewitt was fined an additional \$2 and costs for failing to have a driver's license.

City Officers To Take Course

Three Edmonton army officers will be among a group of 50 Canadian who will attend courses at the Canadian, British and Australian staff colleges next year, it was learned here today.

Most of the men will attend course at the Canadian Army staff college at Kingston, Ont., starting in January.

Edmonton officers to take courses are: Maj. L. J. Brown, Lt.-Col. W. H. Colling, and Capt. R. L. Robertson.

Park Highways To Get New Look

Two Jasper Park highways are being prepared for hard surfacing. It was stated Tuesday by Major J. A. Wood, park superintendent.

Each highway is about 30 miles in length. One runs from Jasper to the east entrance, the other southward from Jasper.

About one-third of the preparation has been completed on each road. Hard surfacing will be laid next summer.

It has been estimated that the greatest depth of any ocean is 35,400 feet.

11 Divorces Granted Here

Eleven decrees nisi were granted today in supreme court by Mr. Justice G. B. O'Connor.

Decrees were granted to: Eleanor C. Moore from Leslie G. Moore; Delema R. Hodge from Orville J. Hodge; Donald St. John from Lodiina E. St. John; Reginald T. Day from Myrtle L. K. Day.

Clara Hagemann from Ludwig C. F. Hagemann; Martha O. E. Farquhar from John Farquhar; Paul Chmilar from Annie Chmilar; Nellie Rogal from Paul Rogal.

Alice Torgness from Kaare A. Torgness; Adolphus Cardinal from Isabelle Cardinal and Mary Yarwood from Aldred Yarwood.

A decree absolute of divorce was granted by Mr. Justice H. R. Parlee to Peggy Holychuck from Basil Holychuck.

School Building Shows Progress

A total of \$630,000 has been paid out by the Edmonton Public School Board towards the completion of four building projects in Edmonton, which was reported at Tuesday's meeting of the board.

Of the total amount, \$261,829.31 has been paid out for work on the Victoria Composite High school, which is progressing rapidly now.

The school, largest in Edmonton, will cost approximately \$864,000 when complete.

Work on other schools, Mill Creek, Virginia Park and Spruce Avenue, has amounted to \$330,221.70.

Four Months For Bike Theft

Narcisse Stamp, Treaty Indian, was sentenced to two months in Fort Saskatchewan jail Tuesday on a theft charge.

Stamp, alleged gully in court here for stealing a bicycle from in front of a city hotel June 18.

WAR THREAT from communistic countries is voiced by Capt. R. G. Cavell, world soldier, as he addressed joint meeting of men's and women's Canadian Clubs here Tuesday.

World Peace Threat Seen by Capt. Cavell

Will there be another world war? This is the greatest question facing the world today, according to Capt. R. G. Cavell, who addressed a joint luncheon of the Canadian Club and the Women's Canadian Club in the Macdonald hotel Tuesday.

The world is facing a rising imperialism today, he said, which, like the Fascism of Germany and Italy and the militarism of Japan, is trying to force its way of life on the rest of the world.

We never recognized the threat of the Fascist countries, he said, and the result was the most devastating war the world has known.

Recognizing this same threat in the Communism of Russia, he said there is still time to avert war if action is taken.

Captain Cavell called Woodrow Wilson's effort to bind men together for peace rather than war in the League of Nations the world's first move of real sanity.

Capt. Cavell is chairman of the National Executive of the Canadian Institute of International Affairs and has had a wide experience in travelling and diplomatic work for the government of India.

He served as a cavalry officer in the Indian Army in Mesopotamia during the First World War and has done considerable diplomatic work for the government of India.

He spent several years in Africa, Europe and the Far East. He is now vice-president of Automatic Electric (Canada) Limited.

HALF CENTURY as a railway employee concludes today for Frederick E. Scott, veteran chief clerk of Canadian Pacific Railway here. He has been chief clerk at various points on the prairies for 42 years and a permanent employee of CPR for 49 years.

50-Year Railroader Goes on Retirement

A career that started shortly before the turn of the century, and lasted for close to 50 years, came to an end today for a veteran Edmonton railway employee.

He is Frederick E. Scott, Suite 27, Arlington apartments, who has been chief clerk at Canadian Pacific Railway here for 17 years.

Scott, retiring on pension, joined the CPR at Fort William in the summer of 1898 as a rodman and worked on double-track survey between Fort William and Rain.

In the fall of that year, he worked in the CPR freight sheds as a timekeeper.

He joined the permanent staff in June, 1899 and served as a clerk in freight offices at Fort William, Kenora and Brandon before becoming a chief clerk in 1906.

He served the next 42 years as a chief clerk under various superintendents.

HERE IN 1931 He was transferred to Souris in September, 1926 and then came to Edmonton in July, 1931.

During his long career as a chief clerk, Scott has served under about 12 or 13 superintendents.

Including J. L. Mackay, now general manager of prairie region for CPR and J. C. Jones, general superintendent at Calgary.

Scott has seen a great expansion in Edmonton and other prairie points in his almost half-century as a railway employee.

He was 66 years of age last Saturday, but the chief clerk here says: "I still feel like a young man."

During his younger days, Scott was an athlete of note.

He won several speed skating championships in his native Maritime provinces and also won fame in that part of the country as a bicycle rider.

He has always been a keen sports enthusiast.

Scott and his wife have not made any plans for the future, but plan to remain in the city for the present.

Grocer Fined For Sunday Sale

A fine of \$25 and costs or 35 days was levied store proprietor Charles Fern, 9416 118 avenue, for a breach of the Lord's Day Act, in police court today.

Fern pleaded guilty to a charge of selling groceries on Sunday.

SHOPPING GUIDE

Early Summer Treats Finally Make Menu

By Bea Thrifty

Mmmmm! — tasty, tender spring lamb, sweet new, garden peas, buttered baby carrots, parsleyed new potatoes — an epicurean's dream.

But this is the way the land lies with the whole business:

Spring lamb is peeking around the corner of the market—but is available only in very negligible quantities. As a matter of fact it won't be officially launched on the buyer's market for another ten days or two weeks. Then the price will be high until supplies increase.

New garden peas have made their way from British Columbia and you will be able to buy them for 20c to 25c per carton (in the shells of course).

Baby bunch carrots, complete with green tops, are selling at the allowed ceiling price of 12c per pound. Other tops carrots from the California produce fields are still selling at 10c a pound.

Canadian grown new potatoes, 60 Front Street, W., Toronto, 1-A, Ont., Please allow a week or 10 days for delivery.

It is believed the competition of imported new potatoes will hold them to reasonable prices. In our own locale—new potatoes will grace the markets in limited quantity in approximately one week. These are the new potatoes from B.C. fields.

April increases in freight rates raised manufacturers' costs on both incoming raw materials and outgoing deliveries.

This is the background reasoning in the explanation of the slight increase of soap and shortening ceilings.

Narrowing the American-dollar-saving program down to the level of cabbage—we find that under the present set-up, the higher price consumers will pay for cabbage will be 9c per pound in production areas plus a cent or two elsewhere—depending on the distance from the production area.

Edmonton—price is 9c per pound.

Will you bake a cherry pie Billy boy?

Yes I will bake a cherry pie—quick as a cat can wink its eyes—just as soon as the B.C. cherries arrive.

And that won't be far away—about the week of June 2 matter of fact. Big-time boys in the fruit and vegetable business are heralding the approach of the fruit and sweet fruit within a very few days.

Also in store for the good little boys and girls are lemons, berries, blackberries, red and black currants—all from British Columbia.

Evidently this business of the flower wars completely wiping out our hopes of a berry crop this year is a lot of malarky—things are just as good as here.

Explanation lies in the fact that where the crops were left untouched by floods, the harvest was exceptionally fine.

'Nother little item for consumption by consumers is that spring broilers—chickens, that is, pal—are a mite scarce this season.

One butcher in a large meat store said they are harder to get than for many seasons.

This permanent controversy—shall I have a home job for \$2.25 to \$3.25—or shall I lie to the security of the beauty parlor and have them do the work for me at a much higher fee, is a very pertinent question.

Some reports of the home jobs are more than favorable—while others have practically ruined locks to set an example.

But isn't there an element of risk whenever you get any kind of a permanent job?

Requires a thought or two this whole thing.

moon trip to the southern part of the province, the bride traveling in a Chinese gold silk jersey dress with black accessories, large garden topcoat and red rose corsage. Mr. and Mrs. Lapp will reside at Pucker Creek.

Out-of-town guests were Mr. and Mrs. J. Krekivich, St Paul and Mr. and Mrs. H. Lapp, Red Deer.

WHY GROW OLD

Person's Intelligence Can Be Improved

By Josephine Lowman

We used to think that persons were born bright or dumb and that was all there was to it! Now comes hope for those of us who would like to be brighter than we are! It seems that individual intelligence is not an absolutely fixed quantity and can be improved.

Not long ago in a talk at the Cooper Union Forum in New York, Dr. George W. Hartman, Professor of Education at Teachers' College, Columbia University, said: "A review of research points more or less clearly to the conclusion that the IQ of the human organism can be made to rise and fall to a noticeable degree with the difference in the character of the environment in which it carries on its activities."

Dr. Hartman indicated that our intelligence level depends on a good environment and lowered by a poor one, and that in part, our intelligence level depends on the stimulation and energies of the environment in which we live and work. He mentioned four factors as affecting the IQ.

One, our inheritance from our parents and our ancestors. Two, the constitutional factors which are organic but not traceable to inheritance or social factors.

Three, the effect of emotional factors on the mind. Four, environment, the results of the social system, education, home life, mental stimulation, etc.

Dr. Hartman concluded by saying, "Human intelligence is a product of certain conditions, some of which can be regulated by the school-room, some by the home, some by the political and economic structure of the nation and the community, and some by the individual himself after he reaches an appropriate state of maturity."

We can all apply these ideas to ourselves in some form or another. We may have a low IQ, but we can improve it by the use of the factors mentioned above.

YOUR BABY AND MINE

Readers Suggest Remedy For Child's Dandruff

By Myrtle Meyer Eldred

My helplessness to suggest a remedy for children's dandruff has brought the usual response. Someone is always glad to fill out the vacuum. These remedies are both harmless and their "recommenders" say they work fine.

Mrs. R. S. D. writes, "I seldom write to newspapers, but I read your column daily and with complete agreement, I am glad to have this opportunity to tell you so."

"One of your readers inquired about a remedy for dandruff. I would like to add to what you said by saying that egg yolk, rubbed into and over the head, and then shampooed with a mild soap, was prescribed by my doctor and worked very well."

Mrs. J. G. has a quite different method of dealing with this. She writes, "When I read your column about dandruff, I was so interested in your remedy immediately. It is just plain cornstarch. I have a little girl of three and a baby of two months. The oldest had cradle cap in the worst way when she was tiny. Oiling it seemed to make it worse. My mother suggested using cornstarch and in one treatment it was gone."

"I have used it on my own hair and it has worked perfectly. The new baby had a diaper rash and I sprinkled cornstarch in the diaper and it cleared up right away. This may sound as if I were a fanatic about it, but I have tried it and I know it works."

Starch in the water is very soothing to use on the skin of a baby who has prickly heat. I am sorry you did not tell me how you used it, wet or dry. It would seem logical to make a paste of the starch and put it on the head, letting it dry and be brushed out. It would be used dry on the diaper, or spread on the buttocks like powder. I hope you will try it. It is a good conversationist if she didn't have to drop the complaint here and there about herself."

There is some way that a person of this type could be made to see how utterly mind she is becoming, and how she is being dropped because no one wishes to listen to another's self-praise.

ANSWER: Certainly no people in the world are more afflicted companies than the self-centered individuals whose sole topic of conversation is their own selves.

Self-preservation being the first law of nature, we flee from them as from a plague. It is not a matter of criticism. For it only the vain and self-satisfied who are absolutely convinced with themselves.

The balance of us worry over our faults and mistakes and blunders, but the self-centered and it must be a very soothing thing to feel that you are one of God's masterpieces that can't be improved upon.

JOY IN CONCEIT

Just think, if you are a woman, what a joy it must be to go through life thinking you are perfectly beautiful, so fascinating that no man can resist you, so witty and intelligent that everyone hangs upon your words.

And, if you have children, that everyone of them is a paragon of good looks and talent.

Granted that the self-conceited are hard to endure, should we not permit the braggarts to blow their own horns when they get so much happiness out of it?

fine points that can soothe your faults and if you use your versatility and industrious gifts well you will go far and may at last succeed in your career. You have musical talents, literary, you could become very successful lawyer, teacher, entertainer, and in many other lines.

Birthdate: Geo. Sand, French novel.

YOU CAN BECOME A SAILOR

There's something about life in the Navy that can't be found in any other organization — travel and adventure in trim new ships and the thrill of serving your country in a world-famous uniform. You're heading for an active, exciting life when you join the Royal Canadian Navy... and you can look forward to retiring on a generous pension.

THERE ARE SPECIAL OPENINGS NOW FOR TELEGRAPHISTS

There are many careers to choose from in the R.C.N. — and few more important than in the communication branch. As a Telegraphist you will get a thorough training in a valuable trade. Your duties will include transmitting and receiving radio messages, handling messages by semaphore, flag hoisting and flashing. Naval training qualifies operators for commercial certificates. Shore station operation provides experience with commercial multi-v traffic. Expressed preference for ship or shore station duty will receive consideration.

YOU BORN TODAY? Sun in Cancer, your Sign, plenty of social and athletic background. Sensitive, often changeable, and dissatisfied with your position, surroundings. You have many
